Dear Ms. Hubbard:

The purpose of this correspondence is to respond to the request for additional information issued by your office on July 10, 2007. In that letter, you communicated a concern about incorrect values in the "Election Cycle-to-Date" field of the Year-End Report filed by Friends of Roy Blunt. Specifically, you requested additional information on contributions received by the Association of Fundraising Professionals PAC. The Federal Election Commission (FEC) calculated a cycle-to-date total of \$5000.00 for contributions from the Association of Fundraising Professionals PAC while the year-end report submitted by Friends of Roy Blunt showed a total of \$2500.00.

Committee records indicate that on November 8, 2006, Friends of Roy Blunt received a check from the Association of Fundraising Professionals PAC in the amount of \$2500.00. This check was intended for receipt in the 2006 General election but was received after the close of that reporting period. Accordingly, Friends of Roy Blunt refunded that contribution by check dated November 27, 2006. This refunded contribution is shown on Summary Page line 6(b) and on Schedule B of the Friends of Roy Blunt report covering the period between October 19, 2006 and November 27, 2006. Subsequently, the Association of Fundraising Professionals PAC issued another contribution in the amount of \$2500.00 to Friends of Roy Blunt on November 29, 2006. Copies of all three checks as well as the relevant reporting page from the above-mentioned report are attached hereto for your convenience.

The aggregated "Election Cycle-to-Date" field on the year-end report correctly reflects the total contributions received by Friends of Roy Blunt for the 2008 Primary election cycle as of the date of that report.
